WELCOME TO RIEGEL RIDGE SUMMER CAMP...

...where we pride ourselves on instilling community values.

MISSION

Our mission is to provide a happy, healthy and rewarding summer camp experience in a safe environment. By learning to play and work together with others at camp, children will learn to appreciate, understand and value others. Children will be taught to be good followers and leaders, to accept responsibility and practice tolerance. They will gain self-esteem and self-confidence, learn from new experiences, make new friends and create memories to last a lifetime.

COUNSELORS

Our counselors are selected with great care to ensure that we have a diverse group of leaders who are highly motivated, mature, sensitive and care about children. Many work in the education field or are college students pursuing careers involving children.

SAFETY

Your child's safety is our **#1** priority! We are committed to providing you and your camper with a positive summer experience. All counselors are First Aid, AED, Epi-Pen & CPR certified.

CORE VALUES

Our core values guide our decisions, activities, actions and expectations for both campers and staff alike. They are not merely ideas that we post to inspire, they are concepts we live by every day in both speech and action. They become an integral part of each camper's daily experience.

R. R. S. C.

- RESPECT** ▶ We aim to build confidence, leading to self-respect and in turn respect for others.
- RESPONSIBILITY** ▶ Camp teaches about being responsible for our own actions. As a result, campers are able to develop meaningful relationships with their peers.
- SELF-RELIANCE** ▶ By encouraging responsibility for our decisions and belongings as well, we learn to do for ourselves.
- COMMUNITY** ▶ The true meaning of community is learned while at camp. Celebrating the uniqueness of each individual, while recognizing our similarities, brings us all closer.

C. A. M. P.

- COOPERATION** ▶ Working together with others ensures that a good time is had by all and is a key component to being a part of a group.
- ATTITUDE** ▶ Enthusiasm and a positive attitude help to create an environment that yields lots of fun.
- MANNERS** ▶ Good manners are just a way of showing others that we have respect for them.
- PARTICIPATION** ▶ The secret of getting ahead is getting started. And who wouldn't want to with all the fun that camp has to offer?

A DAY IN THE LIFE OF a Riegel Ridge Summer Camper...

Riegel Ridge Summer Camp is offered for grades K-6, and Teen Camp, which consists of grades 7 and 8. Campers attending Kindergarten must be age 5 by the week of camp they are attending.

All campers will have activity periods each morning that will consist of one of the following... crafts, nature & team-building activities, a variety of outdoor sports & games, as well as recreational swimming. The morning session will conclude with a picnic style lunch. The afternoon continues in a similar fashion when groups have the opportunity to participate in activities such as sports leagues, crafts, games, hiking and more recreational swimming. Pick up is scheduled for 4:00 PM.

THE BEST PART OF CAMP...

The best part of camp is the silly things that are only acceptable when you do them at camp. They are the most fun and create the best memories - ones you will never forget. They are the things that make camp “camp”.
